For more information on the venue please visit: <https://topgolf.com/us/columbus/>

General Information:

This tournament is open to all AAAA Members, guests, friends, and family. We encourage non-members to attend as well and please consider joining AAAA. Any guest under 16, must always be supervised by a guest over 21.

Ever been bowling? Well, at Topgolf, you play in a “bay” rather than a lane, and from that bay, you hit micro-chipped golf balls into giant targets to score points. You can even score points when you miss the targets and get a favorable bounce into one.

I have been to the Columbus Topgolf venue and played a game or two with my son. We are both experienced golfers but mediocre at best. We had a great time and thoroughly enjoyed ourselves. This type of play is fun for all skill levels and no golf experience is required, non-golfers are welcome to participate or can just watch and critique. We will have a Topgolf “coach” to demonstrate how play is conducted and provide instruction.

We will be in teams of 6 participants. Forming a team is not necessary, but if you do, please indicate team members in your reservations. Those participants not on a team can be paired the day of the tournament.

You can bring your own clubs if you like. If you don't have any, don't worry! Topgolf has clubs in every bay for you to use at no additional cost. You will share these with your teammates. Left-handed clubs and junior clubs are available upon request. They only have a limited supply so if you can, call ahead and reserve them. If you are unable to do so let me know and I will attempt to get them for you.
